RADA CUTLERY

"A Cut Above The Rest"

Welcome to 2011! As we begin a new year, Burtonsbooth.com would like to remind you that now is the time to clean out those utensil drawers and get rid of the items that you don't use or that don't work. This month's special, will help you sharpen all those dull knives in the drawer so they'll be ready to use the next time you need one.

Once you're done inventorying your utensils, you can review our full product line at www.burtonsbooth.com and order those items that you are missing or that will help make your daily cooking and baking easier.

Rada Knife Sharpener

Rada offers a knife sharpener that performs like no other. It is constructed for use by either right or left handed people and comes with a lifetime guarantee on the base, wheels and assembly construction.

The standardized rivet/wheel assembly makes for perfect tolerance and flex between the sharpener wheels for truer sharpening performance.

To use the Rada Quick Edge Knife Sharpener, simply place the knife blade between the two sharpening wheels and pull the knife through very lightly. Repeat several times. You can also use this product to sharpen your serrated knives and scissors.

All Rada products are proudly
made in the **U.S.A.**
