Summer is just around the corner and the trees and flowers are mostly in full bloom here in upstate NY. Yes, I've been doing some travelling and visiting with family and friends along the way. As I mentioned in the last newsletter, I sold my motorhome and am no longer setting up at tractor shows. I will, however, continue to sell a full line of Rada products, the Streak Free cloth and leather belts.

On page 2, you'll find a recipe for a lovely berry salad that's as healthy as it is delicious! It features fresh fruits and vegetables and an amazing dressing. It's a perfect addition to any summer meal.

Please call or email me if you have any questions or would like to place an order. Don't forget, Rada products make excellent wedding gifts!
